## MADE-TO-ORDER PATTERNS

As a service to owners of inactive patterns, Towle makes its inactive patterns available once a year. To insure perfect match-up and complete satisfaction to your customers, please make sure to obtain three important pieces of information about her knife blade.

1. Ask her to bring in a knife or a tracing of the blade so that you can determine size—luncheon or dinner—by comparing with blade chart that is part of this price list.
2. Check the *letter style*.
3. Find out if blade has *dull* or *bright finish*.
